

The Cat Doctor of Dover Boarding Policy
Deluxe Accommodations

Deluxe accommodations include lodging in our specially designed townhouses feeding twice a day with Science Diet (or, if you prefer, owner-provided food). Fresh water will naturally be available at all times. Your cat's quarters are cleaned and sanitized twice a day. Daily medication or vitamins brought from home will be administered for a fee. Any cats with fleas will be treated at owner's expense.

If my pet becomes ill, I request that medical/surgical treatment be done if deemed necessary, with fees not to exceed \$_____ (minimum \$100). I acknowledge that in the event of my cat's illness, the staff may not be able to contact me immediately. Nonetheless, they are authorized to initiate appropriate treatment until I can be reached. I agree to pay all related expenses associated with the treatment of my cat until I am available to discuss further care and related fees with the doctor.
